## **MozArt Celebrates Incredible 100 Days!**

MozArt Music Academy is celebrating 100 days since we opened our doors to the San Fernando Valley community in January of 2018. We are devoted to becoming the best music school where kids discover the joy of music while receiving highest quality music education. We feel blessed to see so many smiley faces of MozArt students visit us every day. It has been amazing to witness their progress as they make steps closer to reaching their goals.

We appreciate you for choosing MozArt Music Academy as we promise to continually provide, inspire, and encourage our students to reach their fullest potential.

## **Coming Soon! - MozArt's First Student Recital**

Did you know that **ALL** MozArt students get to participate in our student recital? At no extra charge, we provide wonderful performance opportunities to show case their skills and assess how much they have progressed on their musical instrument during their lessons! We are planning to have our first recital in September 2018. We believe that this will provide enough time for our MozArt students to prepare their first MozArt performance so it will be positive, rewarding, and memorable. We encourage you to continue taking lessons throughout this summer to get ready for the big stage!

## **MozArt Appreciation Week: April 23rd- April 30th**

We will be celebrating our 100 days by showing our gratitude to MozArt students and their families with refreshments and pastries prepared throughout the week starting Monday, April 23rd through Saturday, April 30th. There will be a table set up at our waiting lounge so we welcome you to indulge on the goodies (No guilt feelings. You deserve them!).
