HOLD FORM

MozArt Music Academy provides a hold service for 1 month (equivalent to 4 consecutive weeks) by reserving student's lesson spot with the same instructor while temporarily pausing the recurring monthly tuition for 1 month.

To hold lessons and pause recurring monthly tuition for 1 month, complete this form 15 days before the 1st of new month. If the Hold Form is completed after the 15-day grace period, the tuition for the following month will be processed and used toward the returning month's tuition.

The monthly tuition will be reactivated after 1 month of pause.

If you wish to stop lessons, rather than temporarily pause lessons, MozArt Music Academy must be notified 15 days before the 1st of new month in order to complete the withdrawal process and stop all payments.

By signing this form, I agree and understand that I am temporarily pausing lessons and tuition payment for the month of _____. Weekly lessons will resume and monthly tuition will be reactivated starting the month of _____.
